Measure around widest part of forearm. Choose larger size if measurement is between sizes.

**Finally!**

**A skin protector that works**

**DermaSaver™ Skin Protectors** offer proven protection with MicroSpring Textile™ that closely matches soft tissue. DermaSaver acts like a soft, protective extra skin layer, offering pressure relief, shear reduction, breathability for stay-cool comfort, moisture transfer, and antimicrobial protection—all in one package.

Designed to fit loosely, the unique material construction makes these soft tubes self-supporting—they won't slip down or bunch up like other skin sleeves. Stretchy knit fabric is durable and fully launderable for repeated use.

Polyester/spandex blend • Meets CAL 117 standard • Not made with natural rubber latex • Withstands industrial laundries • Not returnable if opened
