

High-quality PPE storage *without* the costly price tag

Easily accessible PPE for both staff and patients is critical for compliance while reducing the spread of infection. But the cost of must-have PPE organizers can be high depending on your facility's needs. AliMed's complete line of **Infection Prevention Stations** and **PPE Organizers** offer all the durability and high-quality storage options you need without the hefty price tag.

Patient Protection

For patient/public use in waiting areas, points of entry, lobbies, physician offices, and more

A./B. Infection Prevention Stations

- Holds earloop face masks, tissues or gloves, and hand sanitizer bottle or wipes canister
- Choose Counter/Wall model or with Stand

Download a **FREE** patient education sign at AliMed.com/ic-signs

Staff Protection

For staff use in isolation or procedure rooms, patient care or exam areas, or wherever PPE is required

C. Isolation Stations

- Stores gloves, gowns, and earloop face masks
- Mount on the wall or use with optional Door Hanger (F.), sold separately

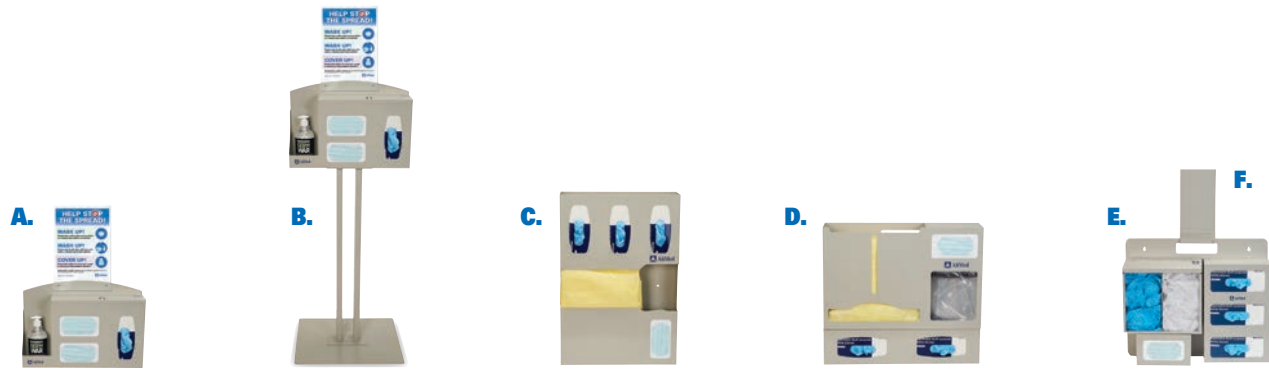

D. PPE Organizers

- Stores gloves, gowns, and earloop and shield face masks
- Mount on the wall or use with optional Door Hanger (F.), sold separately

E./F. Bulk PPE Organizers and Door Hanger

- Stores gloves and earloop face masks with additional storage for bulky items
- Mount on the wall or use with optional Door Hanger, sold separately
