

Keep busy hands occupied

- **Diverts anxious clients**

- **Stimulates conversation**

- **Calms irritable clients**

Discovery Apron

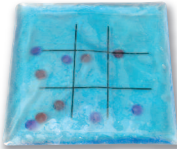

Great for keeping hands busy while diverting negative behavior and compulsive undressing. Touching familiar textures with hands and fingers can calm irritable clients and bring comfort to those with little movement. Includes a large zipper, terrycloth flap, VELCRO[®]-edged flap, button flap pocket, bow to tie and untie, buckle, and soft flannel area. Can be individualized by placing personal items in the see-through pocket. Comes with suggestions for use. Adjustable side and neck straps. Machine-washable. Navy.
