

Reduce discomfort and fatigue during long procedures

3/4"-thick dual layer of therapeutic gel and high performance foam supports feet and promotes circulation

- Improve productivity, restore energy, and reduce errors
- Promote proper posture and ease back, leg, and foot pain
- Disposable options for enhanced infection control

GelPro[®] Medical and Surgical Comfort Mats provide the ultimate in comfort and support for surgeons, nurses, and technicians who stand during long, strenuous surgeries or other procedures. The energy-return foam core works to absorb the impact and stress of standing, relieving pressure on the back, legs, knees, and feet for increased focus and productivity.

GelPro Medical Mat Engineered with a dual layer of therapeutic gel and high performance foam, supporting feet while promoting proper circulation. Fluid-proof and easy to clean. CAL 117-compliant and NFPA 260-certified.

GelPro Disposable Surgical Comfort Mat Ideal for enhanced infection control while providing instant relief in a convenient Floor or Step Stool size. Single use saves labor costs and reduces cleanup and O.R. turnover time.
