

Partners in Long-Term Care

Promoting positive outcomes for residents and caregivers

Supporting the everyday needs of your long-term care residents is always job one. But to be successful, facility leaders must manage a list of competing priorities to meet the overall needs of their business, from driving resident satisfaction and ensuring quality outcomes to managing short- and long-term costs. This is where AliMed can help.

As a trusted supplier of medical products for nearly 50 years, AliMed is the only niche manufacturer and distributor with on-site customization capabilities to complement a vast portfolio of in-stock, specialty healthcare products. With same-day shipping and access to thousands of items spanning hospital to home, AliMed partners with long-term care facilities to quickly and reliably fulfill a range of unique healthcare needs designed to maximize value while supporting safer, more independent resident living.
