

# Partners in the Continuum of Care

AliMed is a leading developer, manufacturer, and distributor of high-quality patient care, rehabilitation, orthopedic, operating room, diagnostic imaging, and ergonomic products. For over 40 years, AliMed has served the hospital, long-term care, and rehabilitation markets with the broadest selections of specialty products.

Through established partnerships with more than 500 suppliers, a reputation for exceptional customer service, and a comprehensive range of unique products, AliMed distributes more than 70,000 different products to healthcare facilities and businesses worldwide.

# AliMed provides the following:

- One of the largest portfolios of products with over 70,000 line items
- Service to all medical markets with an extensive array of products including those that are difficult to find
- Competitive pricing through contracts
- Field sales and dedicated customer service support
- Same-day shipping for in-stock items
- Reduced acquisition costs through EDI ordering
- Easily find and order products through e-commerce and specialized catalogs
