

## Total Vertical Drawer Space Height

Choose the Total Vertical Drawer Space needed and then indicate the number of each drawer height required. The sum of all drawers must equal the total vertical drawer space selected.

21"	24"	27"	30"
-----	-----	-----	-----

## Drawer Configuration

Indicate the number for each drawer height required. Total drawer height must equal drawer space height selected above. Unless otherwise noted below, drawers and panels are placed in order of height from smallest on top to largest on the bottom.

Computer drawers will always be the top drawer and only can be ordered one per cart. Panels are compartment-style storage with an easy lift, stow-away door. They are typically on the bottom but can be placed anywhere.

3" <input type="text"/>	6" <input type="text"/>	9" <input type="text"/>	12" <input type="text"/>	3" Computer Drawer <input type="text"/>	9" Panel <input type="text"/>	12" Panel <input type="text"/>
-------------------------	-------------------------	-------------------------	--------------------------	---	-------------------------------	--------------------------------

**Please indicate any notes on drawer configuration and/or placement:**

## Lock Type

Breakaway	Key Lock*	Push-Button	Electronic	Proximity
-----------	-----------	-------------	------------	-----------

\*If purchasing two or more carts with Key Lock, please specify: *Same Key*    *Different Keys*
